About the Contributors

ABOUT THE CONTRIBUTORS

Tomoya AKIMICHI is a Research Fellow at the National Museum of Ethnology. He is an ecological anthropologist with particular interest in small-scale fisheries and ethnoscience, and has published on these topics based on fieldwork conducted in Japan, Micronesia, the Solomon Islands and Papua New Guinea. He is the author of *The Satawalese Ethnoichthyology* (in Japanese).

Machiko AOYAGI is a Professor in the Department of History, St. Paul's (Rikkyo) University. A social anthropologist, she has focussed on social structure and culture change in Oceania. She has conducted fieldwork in Tonga and Palau, and is now involved in a study of new religion of the Maori people, in New Zealand. She is the author of *Modekngai: A New Religion of Palau, Micronesia* (in Japanese).

Eikichi ISHIKAWA is a Professor in the Department of Sociology and Social Anthropology, Tokyo Metropolitan University. An ethnologist, he has focussed on the social structure and culture history of Oceania, especially of Polynesia. He has done fieldwork in the Marquesas, Tuvalu, Kiribati and Indonesia. He is the author of *South Pacific: Ethnological Studies* (in Japanese).

Shuzo ISHIMORI is an Associate Professor at the National Museum of Ethnology. His major interests are in symbolic anthropological studies, cosmology, ritual, and play. He has done fieldwork in Micronesia, particularly in the Central Caroline Islands and Marshall Islands, as well as in Japan. He has published, *Crisis and Cosmology in a Micronesian Society* (in Japanese).

Toshimitsu KAWAI is a Senior Lecturer in the Department of Literature, Sonoda Women's College. He is a social anthropologist with particular interest in gift-exchange, child-rearing customs, and socio-political systems in Oceania. He has conducted fieldwork in the Truk Islands of Micronesia and among the Bukidnon of Mindanao, Philippines.

Kazuhiko KOMATSU is an Associate Professor in the Department of Literature, Osaka University. A cultural anthropologist, he has focussed on oral tradition and political systems in Micronesia. He has conducted fieldwork on the myths and legends of Ulithi and Pulpap Islands in Micronesia, as well as in Japan. He has published numerous books based on field research and literature study.

Kazuyoshi NAKAYAMA is a Research Fellow at the National Museum of Ethnology. He is a social anthropologist with particular interest in socio-

cultural change and ethnohistory in the Pacific. He has conducted field research on Ponape, as well as in Japan.

Osamu SAKIYAMA is an Associate Professor at the National Museum of Ethnology. A comparative linguist, he has conducted fieldwork in Indonesia, Micronesia and Papua New Guinea. His special interests are in language contact and language change caused by migration in Oceania. He has published numerous articles on these topics, as well as a book, *Studies of Austronesian Languages* (in Japanese).

Akitoshi SHIMIZU is an Associate Professor in the Department of Integrated Arts and Sciences, Hiroshima University. A social anthropologist, his major interests are in political systems, worldview and kinship theory in the Pacific. He has published numerous articles on those topics. He has done field research in Eastern Micronesia and rural Japan.

Ken-ichi SUDO is an Associate Professor at the National Museum of Ethnology. A social anthropologist, he specializes in land tenure, kinship structure and political systems in the Pacific. He has published numerous reports on those topics based on fieldwork in Micronesia, particularly Palau, Yap, Truk and the Central Caroline Islands, as well as in rural Japan.

Hiroshi SUGITA is an Associate Professor in the Department of Japanese, Tokyo Gakugei University. A specialist in Oceanic languages, he has done extensive fieldwork in Micronesia, especially in the Truk area. With Ward H. Goodenough, he devised spelling systems for languages in Truk and co-authored the *Trukese-English Dictionary*.

Shigenobu SUGITO is a part-time Lecturer at Konan University. A cultural anthropologist, his special interests are in the dynamics between population and social structure, material culture, and ethnic arts. He has conducted fieldwork in Micronesia and Australia, as well as in Japan.

Hiroaki TAKASUGI was educated at Keio University. An archaeologist, he has had field experience in Yap, Truk, and the Palau Islands of Micronesia, the Cook Islands, in Polynesia, and Rennell Island, in Melanesia, as well as in Japan. He has published various papers on Oceanic and Japanese archaeology.

Jun TAKAYAMA is a Professor at Tezukayama University. An archaeologist, he has done fieldwork in the Mariana, Yap, Palau, Truk, and Gilbert Islands of Micronesia, Hawaii and Tuvalu, in Polynesia, and the Philippines, as well as in Japan. His main research interest is the origins of Oceanic peoples. He has published numerous articles on his work in those areas. He is the author of *Prehistoric Culture in Micronesia* (in Japanese).

Iwao USHIJIMA is an Associate Professor in the Institute of History and Anthropology, University of Tsukuba. A social anthropologist, his major interests are in exchange systems, kinship structure, and communication networks in the Pacific. He has done fieldwork in Yap and Ulithi Islands of Micronesia, as well as in Japan. He has published various articles and a book, *Exchange System in Yapese Society* (in Japanese).

Matori YAMAMOTO is an Associate Professor of Anthropology at the Department of Economics, Hosei University. A cultural anthropologist, her special interests are in ceremonial exchange systems, and the interaction of politics and economics in Pacific societies. She has done field research in Micronesia and Polynesia, especially in Samoa, and has published various reports based on her field research.
